Chris,

We have not yet finalized the documents we intend to use at the PI hearing. Once we do, we will share those with you. We expect to share the accounting with you this week, and can meet and confer at the beginning of next week on all issues. I'm out of the office in expert meetings today and tomorrow. Our firm has not received any DAO funds since the TRO issued. We admitted to the Court at the last hearing that we had received DAO funds prior to the TRO, and will again seek guidance from the Court with respect to those funds.

Nitaj

Nitaj,

We did not receive a response from you regarding (1) the documents you intend to use at the PI hearing that implicate privilege issues, (2) the status of the accounting for the DAO endowment funds converted to cash, (3) whether your firm received DAO endowment funds after the TRO issued, and (4) whether your firm will return the DAO endowment funds

you have already received. Your failure to respond on these issues is prejudicing our ability to prepare for the preliminary injunction hearing. When are you available this Thursday, April 6, to meet and to confer about them?
